۲	Reading متن زیر را با دقت بخوانید و به سؤالات پاسخ دهید. Most of language learning happens outside the classroom in places like your home or a library near you. The five ways below can help you improve your understanding of the language. • Get a good dictionary. A dictionary is your best friend while you're learning English. • Label things in your house. Buy a pack of labels and then write the name of items on them, such as phone, window, etc. This is great for beginners. • Practice every day. Make yourself a study plan. Decide how much time a week you are going to study. • Don't be afraid to make mistakes. Good learners are confident when speaking in English. • Practice all four language skills: Reading, writing, speaking, and listening. <table border="1"> <thead> <tr> <th>No.</th><th>Scan the passage for ...</th><th>Answer</th></tr> </thead> <tbody> <tr> <td>40</td><td>The number of ways the passage suggests for improving your language skills ...</td><td></td></tr> <tr> <td>41</td><td>According to the passage, your best friend while learning English is ...</td><td></td></tr> <tr> <td>42</td><td>Beginners can learn the name of items by writing their names on ...</td><td></td></tr> <tr> <td>43</td><td>Be confident in speaking English. متن زیر را با دقت بخوانید و به سؤالات پاسخ دهید.

Technology is influencing the lives of people these days. Working with computers and mobile phones is changing people's habits and lifestyles. Most of the time, people have no good reason for using their laptops and mobile phones everywhere. They do not read a book or visit their relatives very often. They do not sleep well or do not eat because of their addiction to technology. They **quit** good habits like doing daily exercises or attending social events, and choose an unhealthy lifestyle. To live longer, they need to rethink the way they live, work, and use technology.

Technology is making new developments in research and science. New medicines and medical inventions save the lives of many people. They let people have a happy and healthy life. New medicines such as anti-cancer drugs and new antibiotics cure many patients. Some technological inventions help doctors to check people's health condition. They find keys to the secrets of the human body. New technologies help doctors to learn about diseases and how these diseases get around. They find ways to fight and stop them in their early stages. Technology has negative effects on the way people live; however, it is positive for research and science.

○ True or False

44. People often use their laptops and mobile phones without a reason. a. True b. False
 45. Some people don't eat well because they are addicted to technology. a. True b. False
 46. Patients find keys to the secrets of human body by using technology. a. True b. False

○ Choose the best answer.

47. What is the **synonym** for the word "**quit**"?
 a. live b. give up c. begin d. attend

○ Answer the following questions.

48. What should people do to live longer?
 49. What are the names of two new kinds of medicine in the text?

متن زیر را با دقت بخوانید و به سؤالات پاسخ دهید.

Art can be anything that is beautiful or interesting to enjoy. We can find art in painting, calligraphy, music, and the design of everyday things like clothes, foods, and furniture. Art is all around us in the colorful patterns on the clothes we wear, the beautiful buildings we walk past, and the melodies in the songs we listen to. Art can make us feel emotions like happiness and joy, and bring color and pleasure to our lives. It can help us understand different cultures and traditions. Artworks are not only for museums or galleries, but **they** can also be found in public places such as parks, streets, and bus stations. Sometimes we may not notice it, but it's always there, adding beauty and meaning to our lives.

Creating art can also be a way to relax. You don't have to be a professional artist to enjoy art, you can draw, paint or make music just for fun. It's a great way to show your feelings and connect with others. Finally, art can bring people from different languages and cultures together. This makes people from all over the world share their ideas and experiences. People always pay attention to the beauty, variety, and pleasure of art around them.

○ True or False

50. Museums and galleries are the only places to find art. a. True b. False
 51. To enjoy art, you must be a professional artist. a. True b. False

○ Choose the best answer.

52. Which of the following is **NOT** an example of art?
 a. emotions b. buildings c. melodies d. clothes
 53. What does the underlined "**they**" refer to?
 a. parks b. artworks c. galleries d. places

○ Answer the following questions.

54. What does art help us understand?
 55. What do people from different cultures share through art?
